FALL EXPERIENCES

OBERG MOUNTAIN HIKE

The Oberg Mountain Hike is a 3 mile moderate loop up and around a forested mountain that offers spectacular views of Lake Superior, Oberg Lake, Moose Mountain, and the valley below. There are very steep cliffs at the top of the loop, so this may not be the best adventure for small children. The LeVeaux Mountain Trail is also accessible from the parking area.

DRIVING DIRECTIONS: Take Highway Highway61North approximately 37 miles from Cove Point Lodge. Turn left onto Forest Road 336 (Onion River Road) This is a gravel road. Proceed up the Onion River Road for about 2 miles. You will see the trailhead sign on the right before pulling into the parking lot on the left.

CASCADE FALLS AT TETTEGOUCHE STATE PARK

VIEW OF THE BAPTISM RIVER ON THE WAY TO CASCADE FALLS

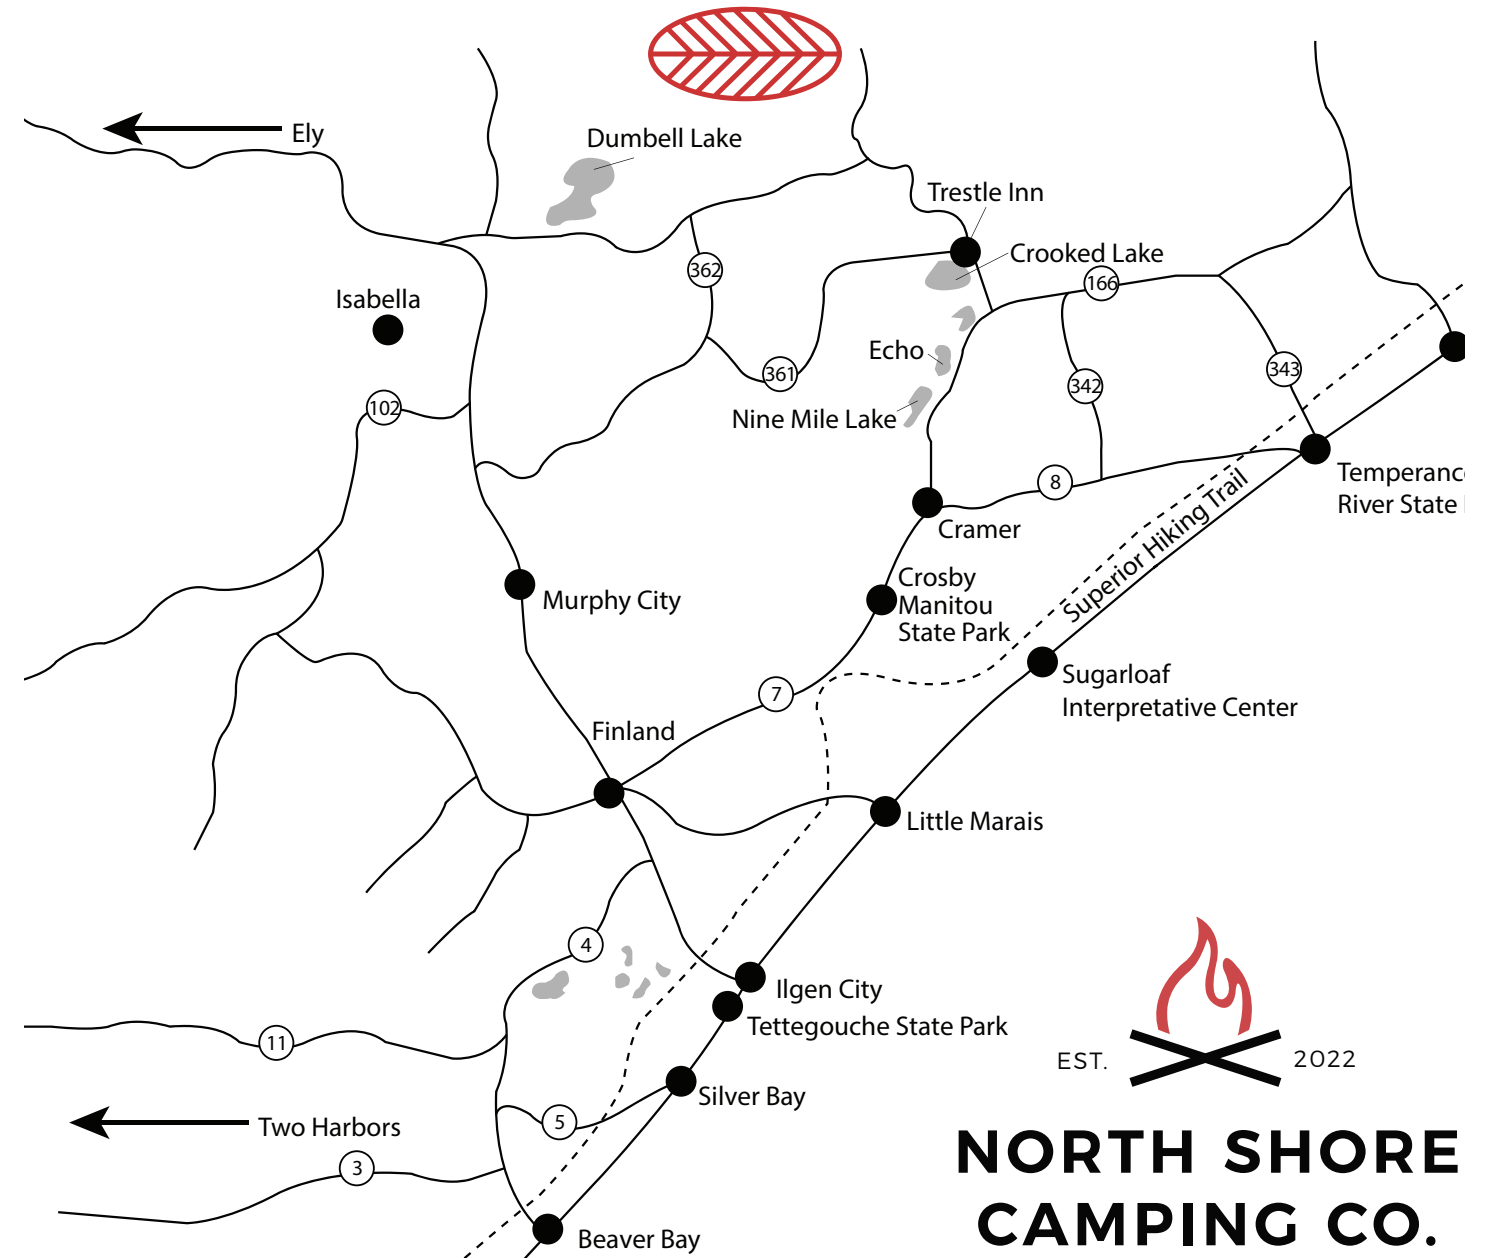

THE CASCADE FALLS AT TETTEGOUCHE STATE PARK

This an easy 1.5 mile out and back hike to a secluded waterfall. The trail follows the beautiful Baptism river, and there are several places for you to access the river along the way to the waterfall. When the manicured trail ends, continue around the corner to view the waterfall.
